

**Vaishnavi Annagiri-19MIS7028**

**SWE 4001 Internet and Web Technologies**

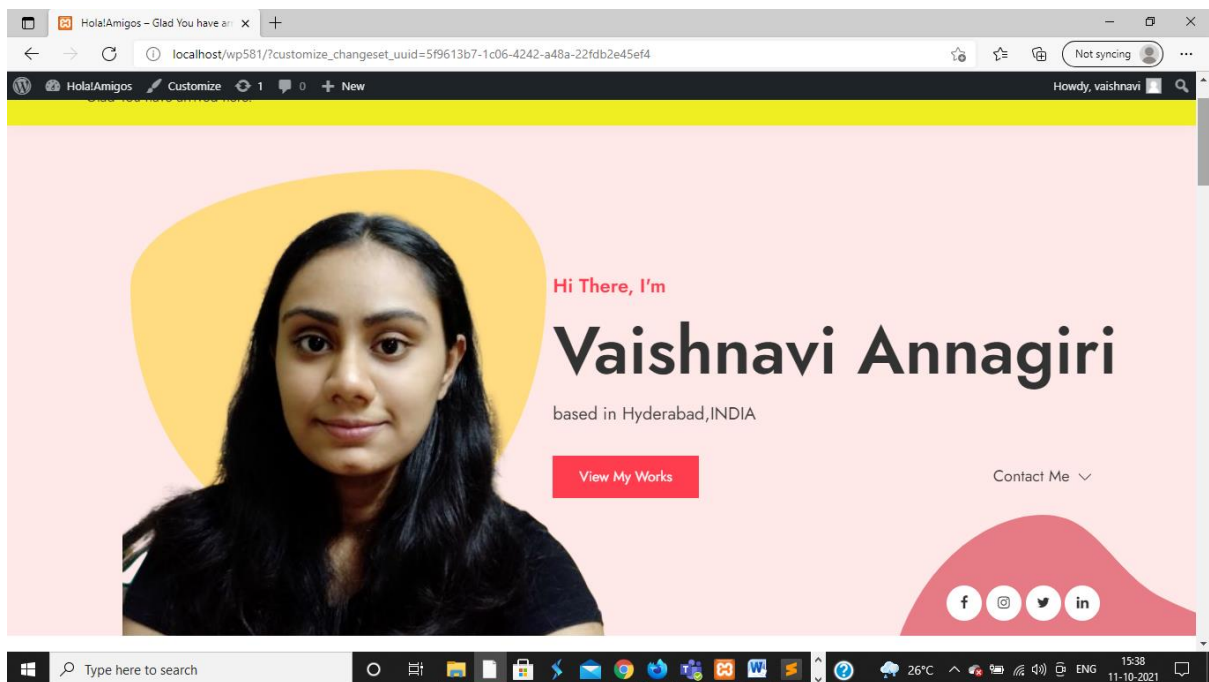

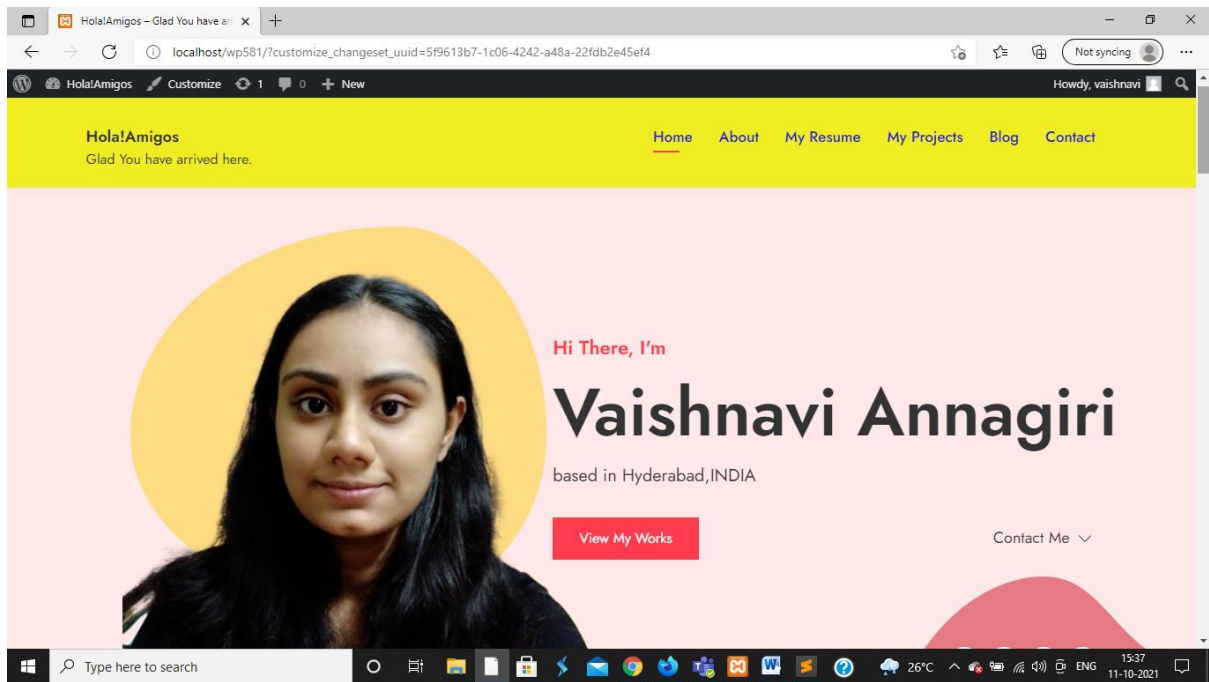

## **LAB-10 Wordpress Website Creation**

I have made a personal website with pages such main page, about page,my resume page,my projects page, blog page and the contact me page.

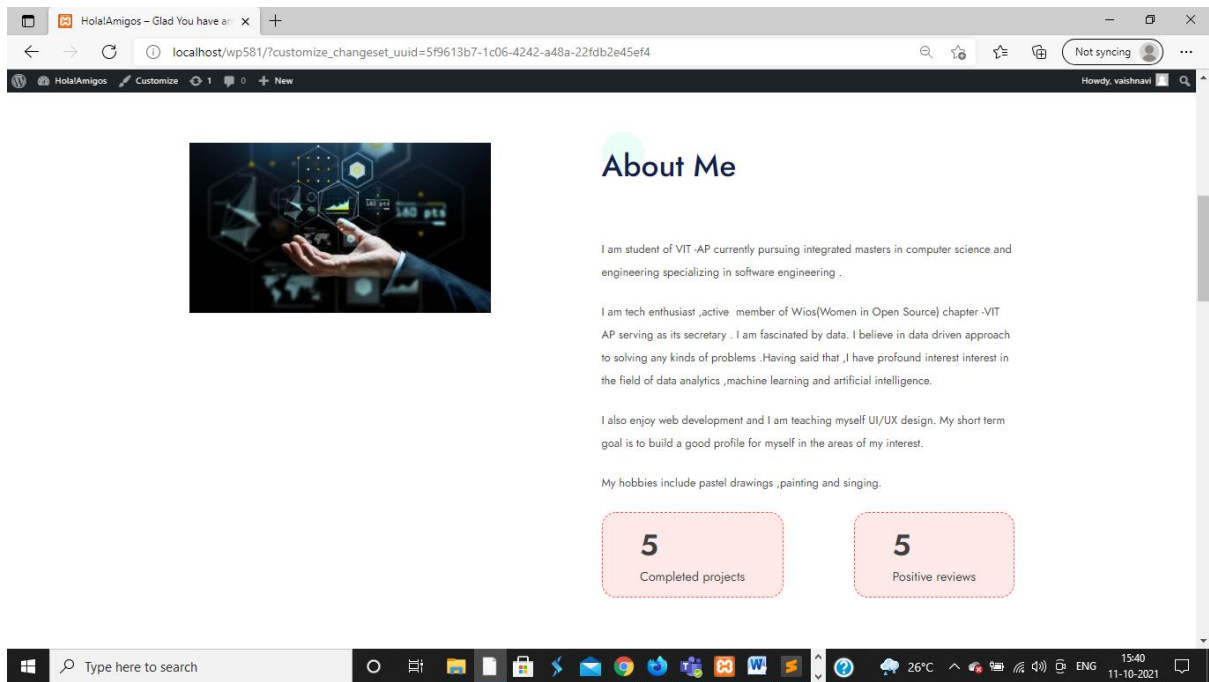

Screenshots-

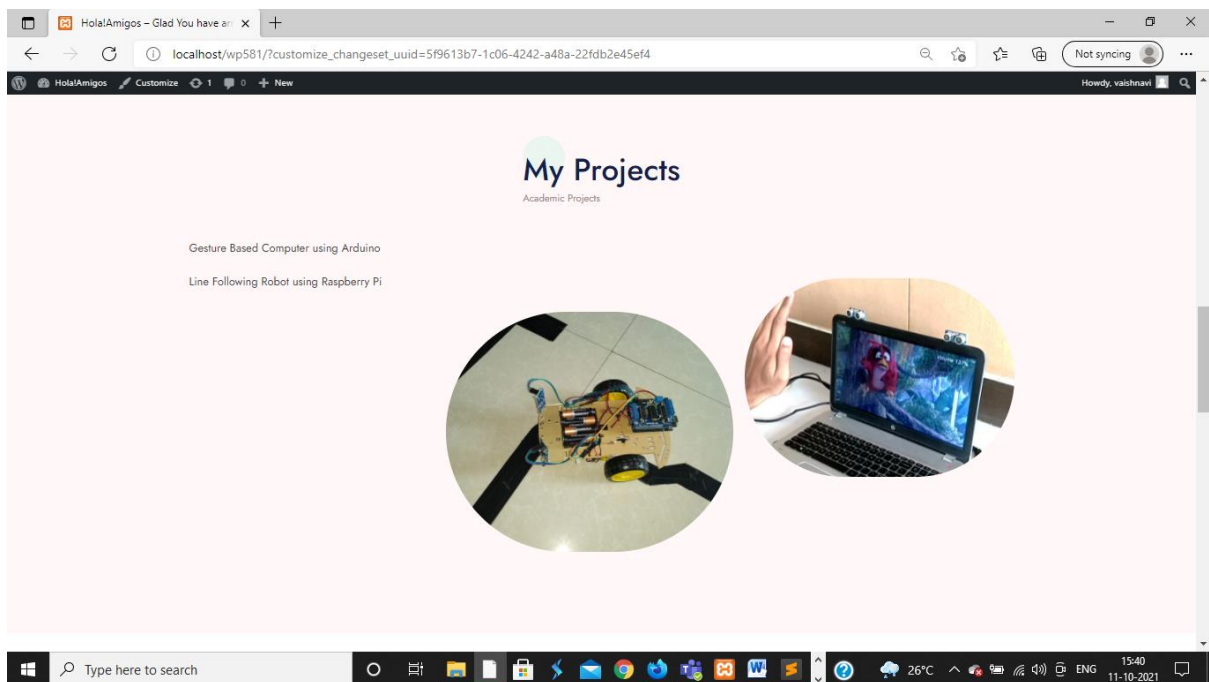

The main page of the website

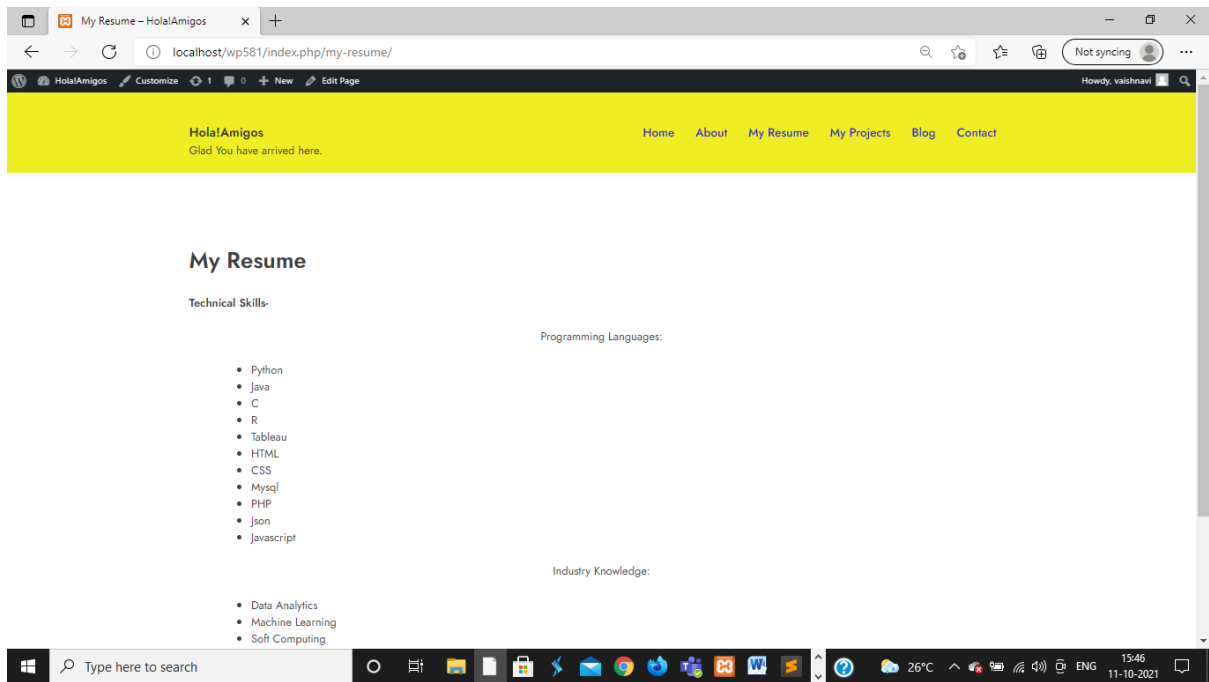

I now click on about page,it takes me to the following page

I click on my projects ,it takes me to this page

I click on my resume page.

This page has the blogs published .
